<p>How does this year deliver your curriculum intent?</p>	<p>In the first year of this GCSE course, you will use sources to inspire the development of ideas, relevant to Photography. You will build on the techniques and processes such as composition and Photoshop in order to develop new, more complex and sophisticated skills to inform your personal intentions. The work you create over this year will contribute to your portfolio of work you will submit as part of your GCSE evidence file.</p>
