

THE HIGHEST STANDARDS

Always set and deliver the highest standards: never settle for less.

INVEST TO ACHIEVE

Care about the now; create the very best for your future.

EVERYONE IS VALUED

We are unique individuals working together to be the best.

NO EXCUSES

Create solutions, not excuses.

NEVER GIVE UP

Resilience is essential; self-belief drives improvement.

CULTIVATE YOUR CHARACTER

Qualifications open doors; your character gets you through them.

	Week 33	Week 34	Week 35	Week 36- LC2	Week 37	Week 38	Week 39		
Half Term 6	Astounding Africa: how can a complex continent develop economically?								

How does this year deliver your curriculum intent?

Students will learn about key processes that shape our planet, including tropical storms in the amazing planet module, and the extremes of hot and cold deserts in the second module of study. Classroom sessions will be highly challenging, but your teachers have a well-planned and creative curriculum that will allow you to make excellent progress and reach your potential in geography. A well-planned classroom and homework curriculum will help you close any gaps in learning.
