How does this year deliver your curriculum intent?		To continuously equip students with a range of enterprise skills and entrepreneurial knowledge. To create time to apply subject specific knowledge, skills and concepts to a wide variety of different Business contexts. To support student development in financial capability including personal and business finance circumstances. To enable students to gain an understanding of how economic and political factors affect the real world around us. To allow students to become workplace ready by developing their marketing awareness. To provide opportunities for students to immerse themselves in developing their employability skills, ready to guide their future career choices.
