5 September 2024

Dear Parent and Carer

Consent for External Electives, PE Fixture, Golden Ticket Rewards and Curriculum Visits

Due to the number of electives, events and curriculum visits taking place during the academic year we would like to ask you to complete a consent form which will cover all of the above throughout your child's time at the academy. You will continue to receive communication regarding each individual event and be asked to confirm attendance. However, you will no longer be required to complete individual consent forms. Please click on the following link to access the consent form: [Consent Form](#).

All consent forms must be completed by 12:00 on Monday 9 September 2024.

If your child's medical information and/or physical abilities change during the academic year, please contact Miss R Kirk via email at r.kirk@stwacademy.com so we can update our records.

Yours sincerely

Mr M McDonald
Principal
