Dear Parent/Carer

Please help the school win the online reading programme DreamBox Reading Plus!

Some of our students entered poems as part of a competition to win the online reading development programme Reading Plus for a class for a year. The programme will help students with their reading, vocabulary and comprehension skills, resulting in reading confidence.

We are delighted to share with you all that year 7 pupil Tiolu's entry has been shortlisted out of over 1,000 submissions – congratulations, Tiolu!

We need your support to help Tiolu win:

Competition organisers Reading Solutions UK shared all six shortlisted poems on their social media channels for public voting starting Monday 16th December and we need your votes to help Tiolu win. Every like, comment or share of Tiolu's poem is worth one vote. The student whose poem has the most votes will win.

You can find Tiolu's poem posted on:

- Facebook - Reading Solutions UK
- Instagram - @readingsolutionsuk
- X (Twitter) - @ReadSolutionsUK

Prizes are awarded as follows:

- First place will win a one-year subscription to Reading Plus (up to 35 licences), including full training, implementation and support for the duration of their licence.
- Second place will win a £200 Amazon voucher and a certificate.
- Third place will win a £150 Amazon voucher and a certificate.

Voting opened on 16th December and closes at midnight on 8th January 2025!
