Dear Parent/Carer

Visit to Polypipe on Wednesday 29 January 2025

We are delighted to confirm that your child has been allocated a place on the visit to PolyPipe on Wednesday 29 January 2025 to discover how theory covered in GCSE Business is utilised by one of Doncaster's largest employers. By attending this visit, students will access an exceptional learning experience.

Students are required to attend the academy as normal and will be given allocated times on the day. Students will walk in large groups, supervised by staff to the Polypipe offices in Edlington. All visits will take place within the academy day.

Fieldwork experiences are an important part of the Business curriculum and allow students to experience the subject beyond the classroom in a way that we cannot recreate within the academy; as such, we require all students to participate.

Please note that giving consent does not automatically guarantee the student's participation in the visit. This is dependent on student behaviour, attendance and motivation.

Students are expected to wear full academy uniform on the day. Students will access normal lunch provisions at the academy.

Students will be supervised by members of academy staff during the visit and there will be a trained first aider present as part of this supervision. Students will be briefed ahead of the visit with the details on how to contact a member of academy staff in the event of an emergency.

Please provide consent and medical information by accessing the form here: <https://forms.office.com/e/Fxd5JhGd32>.

Yours faithfully

Mr W Bailey
Teacher of Business & Computing
