Dear Student

A Level Results Day: Thursday 14 August 2025

We are really looking forward to welcoming you and your family to our A Level Results Day. Your results will be available for collection from 8:30 am until 11:00 am on Thursday 14 August 2025. Please arrive at reception, where staff will be on hand to direct you to collect your results.

If you have any queries or questions regarding your results, you will be able to speak to members of staff including both the Sixth Form team and Senior Leadership team. Staff will also be available to provide support with UCAS and careers advice if required.

After you have collected your results, you will need to provide us with your contact details and destination information, whether this is university, apprenticeship, employment or another route. Please ensure that you have confirmed your destination before leaving the site.

What happens if I am unable to attend and want someone else to pick up my results for me instead?

Another person may collect your results however, you must send in a signed letter identifying the person collecting your results. This can be done via email to the Examinations Officer at b.butler@stwacademy.com or by post to: Mrs B Butler, Examinations Officer, at the above address. The individual collecting your results must bring proof of identification so this can be verified with the information contained in your letter.

Please note, the letter must be submitted and signed by the student before results day and the nominated adult must bring photographic identification with them. Please be aware that results cannot be provided without this.

What happens if you do not collect your results on Results Day?

If you do not collect your results on Results Day, they will be posted to the address that we hold on our academy database. Results will be sent to your academy email address on the afternoon of 14 August 2025.

Certificates

Your examination certificates will be available from December 2025. It is important that you collect these as these are not posted out.

Thank you once again for your support. If there is anything you would like us to assist you with, then please do not hesitate to get in touch.

Yours faithfully

Mr B Dobson
Director of Sixth Form
